DIRECTIONS

From the intersection of Hwy 90 and Hwy 83 in Uvalde, travel on Hwy 83 north through town.

Turn left on Highway 55 and proceed north/northwest approximately 29 miles.

Turn left on County Road 415. You will encounter bump gates from this point forward.

Proceed 4.5 miles until you see a stream straight ahead. Turn to the left onto the gravel before the stream. County Road 415 is now a gravel road.

From this point forward, always continue straight ahead. Do not make any turns off the road.

Proceed 1.8 miles to a green locked gate. You will have been given a combination for the lock.

After passing through the green gate continue 3.4 miles to a black locked wrought iron double gate. Approach the right gate and enter the same combination for the lock.

Drive 3 miles to the lodge. You will cross several dry creeks and then one wet creek. This is rugged hill country. Moderate or high clearance vehicles are recommended. Use caution. Management is not responsible for any damage to your vehicle.

Most cell phones will lose connectivity at County Road 415. Call us at 830-597-6283 before the first gate to let us know you are on your way!
